'59 Tiger

Published by
THE SENIOR CLASS
PARSONS HIGH SCHOOL
PARSONS, TEXAS

Dedication

They have witnessed our problems, smiled in with patience at our, listened to our complaints with an admirable smile, helped us with confidence, encouraged us when we were discouraged, and enhanced our chance for success.

Their dedicated effort to make us included and happy shall always be remembered as one of our most precious high school experiences. Words can't express our appreciation for their untiring contributions, but to show how much we love, honor, and respect them, the 1968 Tiger Staff dedicates the 1968 Tiger to the person of the instructor.

Principal's Message

The future is full of opportunities for young people who want to make the most of it. Our financial services, to say nothing of the pride and satisfaction of doing business, will be greater for those who are well-educated and prepared for the better job.
